Product discontinuation: Sensor control unit D-SCU IP

since more than 10 years we have been marketing our Sensor control unit D-SCU IP together with our Video and Thermography system. Thank you for having chosen the D-SCU IP in your company.

Herein we would like to inform you that the D-SCU IP will be discontinued by July 31st, 2022. Should you need the D-SCU, you will be able to order it until March 31st, 2022.

It is the policy of DURAG GmbH to realize repairs, delivery of spares and wear and tear parts for the D-SCU IP for a period of 10 years after the date of discontinuation.

Successor product D-SCU 50

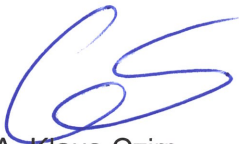

- As successor product we offer the D-SCU 50.

Features of the D-SCU 50

- Connection compatible with D-SCU IP
- Local and remote control of the retraction unit
- Protection class IP65
- PLC from Siemens
- Gbit fiber optic connection

For further information or if you have any questions please do not hesitate to contact us. The staff of our local sales offices will be pleased to advise you.

Yours sincerely,

i.A. Klaus Czirr
